

## BIO

Dr. Ilir Çaka completed his undergraduate studies in "International Relations" with high achievements and earned a "Master of Science" degree in "Foreign Policy and International System" at the Faculty of Political Sciences, University of Perugia, Italy.

In 2021, he achieved a doctoral degree in the field of "Diplomacy and EU International Relations" at the Institute of European Studies, University of Tirana.

Mr. Çaka has made a significant contribution to research and science, reflected in scholarly articles with impact factors, publications, and participation in conferences both domestically and internationally. His research focus primarily centers on the specific policy-making processes within the EU, with a particular emphasis on "Foreign and Security Policy of the EU and the enlargement process." Other research areas include the "Institutional Dynamics of the European Union" and "European Social Policies."

Mr. Çaka has been actively involved in teaching and research activities since 2012. He is proficient in foreign languages, including Italian, English, and French.
